ARTLINK 10TH ANNIVERSARY CELEBRATIONS ARTIST'S TALK SERIES

SUE GOODWIN

Ceramic Artist (formerly of Raku Works Sculptural Arts, UK)

As part of our 10th anniversary celebrations, Artlink is hosting an artist's talk and slide show by Sue Goodwin for the general public on Thursday 22nd August at 4pm in the Tullyarvan Mill, Buncrana, Co. Donegal.

Sue Goodwin is an accomplished ceramic artist whose company RakuWorks Sculptural Arts ran a variety of community based clay sculpture projects throughout the UK in the 80's and 90's. She has vast experience in the area of clay sculpture and outdoor kiln building.

As Artistic Director of Raku Works Sue worked in collaboration with a team of artists to develop a number of projects building outdoor large scale clay sculptures and firing them in situ. The clay sculptures were constructed in public settings as part of community based arts projects. The kilns were designed around the shape of the sculptures and fired with wood over a number of days and nights. Once dismantled they revealed a semi permanent sculpture.

Sue's talk will be informative for all artists especially those who are interested in clay sculpture and outdoor kiln building.
