Festival Art Workshops for Children

AS the long summer holidays stretch ahead, what could be better than mixing art, creativity and fun for your children this month? The Buncrana-based group Artlink have come together with the 21st Earagail Arts Festival to provide a packed programme of art workshops for children in Inishowen.

The Children's Art Festival is offering two separate programmes for older and younger children. "The Little Ones Mix It Up" takes place from Monday 6th July - Friday 10th July every morning from 10.30am - 12.30pm, at Artlink, in the Tullyarvan Mill, Buncrana. The whole course costs just €40 per child, and this workshop aims to introduce 4 - 6 year olds to the arts. The week culminates in a showcase presented by the children.

The following week, older children get their turn with another week of "Mix It Up!" workshops from Monday 13th - Friday 17th July, from 10.30am - 3.00pm at Tullyarvan Mill. At a cost of

■ A Saint Mura's student hard at work.

€65 per child per these workshops will introduce children aged 7 - 11 years old to a combined programme of the arts including visual art and drama.
